

Donations to our charity raffles benefit milk banks, perinatal health support groups, parenting resources, and other non-profits whose missions support parents, babies, and growing families in our B&B cities. Prizes are donated by brands and local businesses, and attendees can enter to win products, gift baskets, prize packs, gift cards, and other prizes. 100% of raffle ticket sales are donated.

We print and display cards with each prize, complete with a description and value, which we ask for in your event prep or raffle form (depending on whether you'll be on-site for events).

We print the display cards and pack up prizes at our office in Fairport, NY. It's important to note that, since we're on the road several weeks at a time, some of the deadlines are more than a month in advance of the event. If you'll be joining us on event day, you also have the option of giving your prize to one of our team members on event day.
